

Project Measurements

Measuring your windows and doors made simple

During your virtual appointment, you'll discuss all of your project details and measurements with an Infinity expert. A project manager will confirm all measurements before ordering, so don't worry about being perfect. We're here to help if you need it.

- 01** Measure the width as seen on image.
 - 02** Measure the height as seen on image.
 - 03** Record your measurements below.
- Quick Tip:** Round up to the nearest full inch.
